hi there, can I charge the lithium battery via the 12-volt cig adapter and run a car fridge via the Anderson output at the same time ?

Yes, the COMPANION Rover Li 40 can be charged via a 12-volt DC charger (14V 5A), and it supports simultaneous use of outputs, including the Anderson output. However.

The Companion 40Ah Power Bank is so practical, versatile and easy to use. I have charged it with AC Power and also by a 50W Solar Panel. Have charged my Portable Fridge/Freezer. Companion Rover Power Station is a must have unit. I purchased this power pack to run a Bushman 35-52 litre fridge when.

Sale! The Companion Rover Lithium 40AH Power Station is designed for powering portable fridge/freezers and other 12V appliances while being off-grid. Its lightweight and compact design makes it a truly portable power source for your next camping adventure.
