IntiTech Solar is one of the first Costa Rica Solar Systems installation companies starting in Costa Rica's Osa Peninsula in 1999. We're ready to help customize a Costa Rica solar system to meet your individual needs. From solar system design (including on grid, off grid and water delivery.

Pura Vida Energy Systems, SA is the ONLY installer in Costa Rica that can offer a 20 year extended warranty on Enphase micro-inverters. Enphase has offered this unique warranty extension only to our company because of the quality of the installation work that we do. We offer the longest warranty.

For an entrepreneur planning a solar module assembly plant in Costa Rica, the standard starting point is a global procurement model: importing a complete Bill of Materials (BOM) from an established supplier in Asia. While this approach offers simplicity, it also introduces significant risks related.

Our goal is to deliver clean and renewable energy to our clients homes to reduce energy costs while promoting a better future! We provide specialized solar services and high quality products targeting the local expat communities here in Costa Rica. Our level of services are consistent with the high.
