Located in the East of Pretoria, CQ Electrical is an electrical retailer where you will find a wide range of electrical products and accessories for your industrial, commercial and domestic requirements. Over the years, we have improved our buying strategy and are able to supply top quality.

We are dedicated to providing top-tier manufacturing of furnace components and specialized services that meet the unique needs of each client. Founded in 1993 as a focused engineering firm, we have grown into a global leader in the furnace spares industry, serving a diverse international clientele.

Abner Electrical, a leading electrical wholesaler in the South African industry, has built a strong reputation over the past three decades. Based in Johannesburg's western region, we cater to the thriving commercial and residential sectors of Gauteng and Pretoria. Additionally, our online shop.

We have over 30 years of experience servicing a wide range of markets, from plastics to food and chemical processing industries. Abso Industries ® was founded in 1993 by Bobby Bell (Managing Member) and entered the market with a view that 'an acceptable alternative' was required in competition to.

Our products are both produced/manufactured locally and internationally and are fully compliant with recognized local and international safety standards and specifications. We are constantly striving to offer our client the best price in the

market. With branches in Johannesburg, Durban & Pretoria.
