

Financing for 200kWh Solar Container Containers in Haiti

Overview

The long-term financing package includes a US\$3 million senior loan from IFC's own account, a US \$3 million loan mobilized by IDBInvest, a \$6 million subordinated loan from the Canada-IFC Blended Climate Finance Program, and a \$1. 5 million grant from the Korea Green .

The long-term financing package includes a US\$3 million senior loan from IFC's own account, a US \$3 million loan mobilized by IDBInvest, a \$6 million subordinated loan from the Canada-IFC Blended Climate Finance Program, and a \$1. 5 million grant from the Korea Green .

Solengy Haiti S.A., a pioneering solar energy provider in Haiti, is a prime example of how investment facilitation bridges this gap. IFC and IDB Invest recently announced a US\$13.5M investment in Solengy Haiti S.A.'s projects CrossBoundary Advisory has worked with Solengy since 2021, helping secure.

Port-au-Prince, Haiti, March 18, 2025 – In a significant move to strengthen Haiti's recovery efforts and energy security, IFC - a member of the World Bank Group - and IDB Invest - the private sector arm of the Inter-American Development Bank (IDB)- announced a US\$13.5 million investment in projects.

Category B projects have potential environmental and/or social impacts and risks that are less adverse than those of a Category A and which are generally limited to the project site, largely reversible and can be mitigated via measures that are readily available and feasible to implement in the.

The International Finance Corporation (IFC) and IDB Invest have announced a groundbreaking \$13.5 million investment in Haiti's growing solar industry. This strategic funding is designed to significantly expand access to clean, renewable energy across the country, helping address Haiti's.

Solar energy in Haiti offers a cleaner, more affordable, and more resilient solution — and Solengy is leading the way. Through innovative financing models, off-grid solar installations in Haiti, and expert photovoltaic system maintenance in Haiti, Solengy has been transforming lives and.

The International Finance Corporation (IFC), a member of the World Bank Group,

and IDB Invest, a multilateral private sector development bank of the Inter-American Development Bank (IDB) Group, have announced a \$13.5 million investment in projects by Solengy Haiti S.A., a local solar energy company.
