### [baofeng uv-5ra and PL's/DPL's on repeaters](#)

At work we use motorola ht750's, cp200's, and xpr6100's (digital) we have a repeater with a input of 469.0250 and output of 464.0250 standard 5+ offset. I dont know the ...

### [Audio Isolation Transformer. Why you need one.](#)

Video below of Big Clive dissecting a stereo isolation transformer. Similar ones were sold by Radio Shack and likely still available. One of these can serve two receivers and ...

### **DSD Plus**

I am using SDR# to capture data for DSD Plus, but not getting expected results. So, trying to decode using .mp3 files as input but don't know how to give .mp3 file as input. ...

### **Yaesu:**

Hi all, as the topic title says, I want to be able to use audio equipment on a computer (or the computer itself) to serve as the audio input to the radio that the radio then ...

## DSD FME

STDIN input working Beefier Sound (my Personal Biased opinion) PortAudio Currently disabled (still need to test), OSS removed (including Solaris and Apple/BSD) Monitor ...

### [Confusion about input/output tone vs. Transmit/Receive](#)

Input is the repeater receive frequency and the user radio transmit frequency. Output is the repeater transmit frequency and the user radio receive frequency. In Baofeng ...

### [DSDPlus not finding audio input device, only outputs](#)

DSDPlus is not finding audio input devices on startup, only audio output devices ????? Any ideas how to fix it to find the audio input devices (the VB Cable Output device)?

## Proscan Audio Not Working

The only other suggestion I can think of is to make sure your microphone/input device is not muted - either in the device settings or maybe there is a mute button on the ...

[How do I find the freq's sent and received from a repeater?](#)

Make sure Input Frequencies "Shown" is chosen at the drop down here View attachment 104474 Yes I did do that and it shows 460.325 as the dispatch, and 465.325 as the ...

[Radtel RT-880 programming , RadioReference Forums](#)

He had so much input and pre-amp gain running that when he was playing, he got that great sound, but as soon as he stopped it went into feedback from all the gain. The 880 ...
