

Mauritania solar glass tile manufacturer

Overview

At present, Mauritania lacks an industrial base for manufacturing core solar components like cells, specialized glass, or polymers. A 100% local sourcing strategy is therefore not feasible. The focus must be on efficient importation and exploring regional suppliers.

At present, Mauritania lacks an industrial base for manufacturing core solar components like cells, specialized glass, or polymers. A 100% local sourcing strategy is therefore not feasible. The focus must be on efficient importation and exploring regional suppliers.
