Find the nearest EV charger for your electric car in Mauritius.

Mauritius, an emerald jewel in the azure Indian Ocean, is on a mission. Beyond preserving its pristine beaches and lush highlands, the island is passionately pursuing a sustainable future. At the heart of this green revolution is the transition to electric mobility. For the eco-conscious traveller.

In an endeavor to help the Mauritian government achieve a reduction of greenhouse gas emissions by 40% in 2030 through a sustainable transport system, the Université des Mascareignes has embarked upon a very ambitious project which is the Smart and Sustainable Campus initiative in 2019. One of the.

The Central Electricity Board (CEB) is a parastatal body wholly owned by the Government of Mauritius and operating under the aegis of the Ministry of Energy and Public Utilities.
