

Nordic solar container battery manufacturer

Nordic solar container battery manufacturer

[Nordic Semiconductor Online Learning Platform](#)

The interactive online learning platform here to equip developers with the technical information and know-how to build wireless products using Nordic Semiconductor solutions.

Nordic Semiconductor acquires Memfault, launches the first ...

Nordic Semiconductor, a global leader in low-power wireless connectivity solutions, today announces the acquisition of its long-term partner, Memfault Inc., the market-leading cloud ...

[User-friendly Nordic nRF54L15-powered module delivers ...](#)

An integrated RISC-V coprocessor can run software-defined peripherals and handle time-critical tasks. With innovative technologies emerging - like Channel Sounding in Bluetooth 6.0 - ...

Feature-packed smart ring modules integrate Nordic's nRF54L15 ...

The low power consumption is thanks in part to the ultra-low power characteristics of the nRF54L15 SoC, including Nordic proprietary technologies such as low-leakage RAM and ...

nRF52832

It is designed as a complementary component to Nordic's nRF52® Series and nRF53® Series System-on-Chips (SoCs) to ensure reliable power delivery and stable operation, whilst ...

About Nordic Semiconductor

Nordic Semiconductor is a global leader in low power wireless connectivity solutions, providing the essential platform and wireless technologies that connect the world's IoT devices.

[Nordic Semiconductor launches nRF9151 software and ...](#)

Nordic Semiconductor, a global leader in low-power wireless connectivity solutions, today announces the launch of the nRF9151 SMA Development Kit (DK), a ...

Bluetooth LE

Trusted by thousands of developers, Nordic dominates Bluetooth LE with 40% market share, enabling billions of scalable, ultra-low-power IoT devices.

[Nordic Semiconductor unveils nRF54LV10A](#)

Nordic Semiconductor, a global leader in low-power wireless connectivity solutions, today launches the nRF54LV10A SoC, setting a new benchmark for integration, performance, ...
