

Planning and construction of energy storage power station in Osaka Japan

Overview

Kansai Electric Power, its group company Kinden, and Japan Extensive Infrastructure (JEXI) will jointly develop a 99MW/396MWh battery storage facility at the former Tanagawa Power Station site in Misaki Town, Osaka Prefecture.

Kansai Electric Power, its group company Kinden, and Japan Extensive Infrastructure (JEXI) will jointly develop a 99MW/396MWh battery storage facility at the former Tanagawa Power Station site in Misaki Town, Osaka Prefecture.

Kansai Electric Power, its group company Kinden, and Japan Extensive Infrastructure (JEXI) will jointly develop a 99MW/396MWh battery storage facility at the former Tanagawa Power Station site in Misaki Town, Osaka Prefecture. According to the company's May 7, 2025, statement, Tanagawa Power.

Osaka, Japan — Kansai Electric Power Co., Kinden Corporation, and Japan Excellent Infrastructure (JEXI) have announced plans to build one of Japan's largest grid-connected battery storage facilities in Misaki Town, Osaka Prefecture. The Tannowa Battery Plant will feature an output capacity of 99 MW.

Utility Osaka Gas and developer Sonnedix are installing what is claimed to be the largest battery storage facility co-located with renewable energy generation in Japan so far. The two companies announced yesterday (4 November) that their jointly operated business is constructing a 30MW/125MWh.

When will Tanagawa power storage station construction start?

According to the company's May 7, 2025, statement, Tanagawa Power Storage Station's construction is expected to begin in June 2025, with commissioning scheduled for February 2028. Kinden will handle engineering, procurement, and

Japan's largest renewable battery energy storage system (BESS) project has broken ground in Kyushu spearheaded by developers, Osaka Gas and Sonnedix. The construction will install a 125 MWh battery energy storage in Oita Prefecture. Japan's largest renewable battery storage project will be.

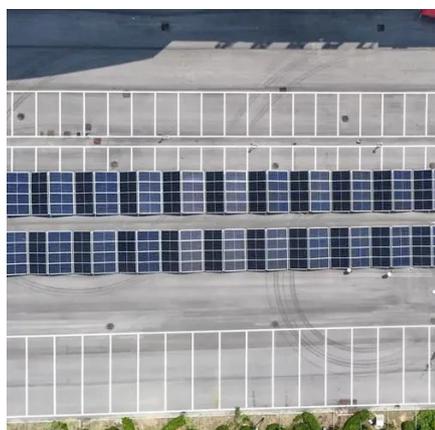

ITOCHU Corporation (headquartered in Minato-ku, Tokyo; Keita Ishii, President & COO; hereinafter "ITOCHU") announced today that it has jointly founded Senri

Chikudensho Co., Ltd. (headquartered in Osaka-shi, Osaka) with Osaka Gas Co.,
Ltd. (headquartered in Osaka-shi, Osaka; Masataka Fujiwara.
