## Overview

---

Is the Interior Department obstructing solar projects?

About 5% of solar projects and 1% of wind projects are located on federal land, according to ACP. The renewable industry accused the Interior Department of obstructing wind and solar projects for political reasons.

Will the Interior Department add more layers of review for wind & solar?

(Charlie Riedel/AP) The Interior Department said Thursday that it would add additional layers of review for wind and solar energy projects, following President Donald Trump's executive order aimed at ending any "preferential treatment" for renewable energy. Ask your climate questions.

Is the interior slinging out solar & wind for political reasons?

The renewable industry said Interior is unfairly singling out solar and wind for political reasons. Solar and wind projects that need federal permitting will face even closer scrutiny by the Trump administration, with Interior Secretary Doug Burgum now making the final decision on whether they proceed on U.S.-owned lands.

How does the DOI wind and solar memo work?

Under the DOI Wind and Solar Memo, all covered actions must be submitted for centralized review by the DOI Office of Executive Secretariat and Regulatory Affairs, with subsequent review by the Deputy Secretary of the Interior, and with final approval by the Secretary of the Interior.
