

Southern Europe Shelter Container Wholesale

Overview

Which shipping container shelter ranges can I Choose?

At Port you can choose from two shipping container shelter ranges: a Premium range and a Platinum range. Our Premium range of shipping container shelters come in a large variety of sizes and can be custom made to order. The Platinum range is pre-made with a select size range.

Are shipping container shelters pre-made?

Our Premium range of shipping container shelters come in a large variety of sizes and can be custom made to order. The Platinum range is pre-made with a select size range. Both the premium shipping container shelter and economy container shelters are made to Australian Standards and have a 5 - 10 year warranty.

What is a shipping container shelter?

Container Shelters are perfect for creating shade for trucks, tractors, harvesters, machinery, refrigerated shipping containers and more. They're also ideal for storage and protection of fertilisers and chemicals. Market gardens, nurseries, mining, construction, factories and workshops can all benefit from shipping container shelters.

What are container shelters used for?

Versatile: Container shelters can be used for a variety of purposes, including storage, workshops, collection bays and more. This makes them a versatile and adaptable solution for a wide range of needs.
