

Swiss lithium energy storage power direct sales company

Overview

Where is the largest battery energy storage system in Switzerland?

The project in Ingenbohl, Switzerland. Image: EWS AG. Utility EWS AG and developer MW Storage have completed the expansion of a battery energy storage system (BESS) project in Switzerland from 20MW to 28MW, making it the country's largest.

Who is lithium system?

LiTHiUM System, formerly LiTHiUM Storage GmbH, headquartered in Illnau, Switzerland, has been supplying customers throughout Europe with high-quality lithium iron phosphate (LiFePO₄) batteries since 2010. As one of the first in Europe we have added NMC cells with a high energy density to our assortment.

Which energy storage projects have been commissioned in Switzerland?

Axpo commissioned its BESS in February this year while utility Thurplus commissioned a 3MW system in September last year. But Switzerland was the location for one of the largest energy storage projects commissioned in recent years, a 20GWh pumped hydro energy storage (PHES) unit which started operations in June 2022 in the Canton of Valais.

What is a lithium battery storage & energy management system?

With our upcycled lithium battery storage & energy management system, you can leverage the power of renewables to mitigate costs and decarbonize your business. Our BMS-certified, fire-protected commercial energy storage systems help energy-intensive sectors like agriculture, logistics, recycling and manufacturing meet their ESG commitments.

Swiss lithium energy storage power direct sales company

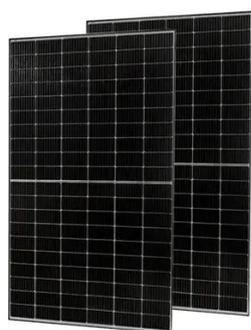

[Sales and engineering of lithium batteries](#)

With our large Swiss warehouse, we can quickly and easily deliver the desired Li-Ion cells to all of Europe. Our staff has years of experience with lithium ion batteries and can provide optimal ...

[Energy storage provider INTILION taps into the ...](#)

The energy storage provider INTILION and Axpö, one of the largest producer of renewable energy in Switzerland, have successfully ...

[Top Battery Storage Companies in Switzerland](#)

Renata SA is a prominent manufacturer of battery technologies, offering a wide range of products such as silver oxide batteries, lithium batteries, and rechargeable solutions, making it well ...

Green Energy Storage o 100KWh

Rooted in Swiss precision and environmental stewardship, we develop and operate the most versatile battery systems for industry and commerce. To test and validate ...

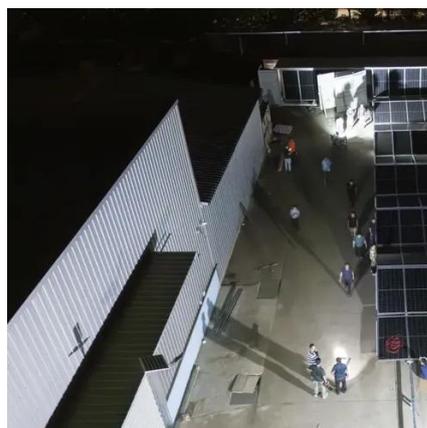

[Energy Storage Suppliers In Switzerland](#)

Find the top Energy Storage suppliers & manufacturers in Switzerland from a list including Innolith AG, Proventia & Designwerk Technologies AG

[Top Battery Companies In Switzerland In 2026](#)

Some of the notable battery companies in Switzerland include Leclanché, a leading provider of lithium-ion batteries for the transportation and energy storage industries, and Blackstone ...

Energy storage provider INTILION taps into the market in ...

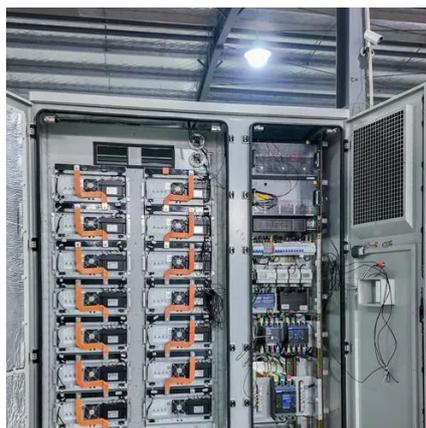

The energy storage provider INTILION and Axpo, one of the largest producer of renewable energy in Switzerland, have successfully completed the first joint project.

10 Top Energy Storage Companies in Switzerland · December ...

Detailed info and reviews on 10 top Energy Storage companies and startups in Switzerland in 2025. Get the latest updates on their products, jobs, funding, investors, ...

About

Redux Energy is the Swiss energy storage specialist company focused on the development, engineering, design, production and servicing of the safest lithium batteries on the market ...

[Switzerland: EWS and MW Storage expand battery unit to 28MW](#)

Utility EWS AG and developer MW Storage have completed the expansion of a battery energy storage system (BESS) project in Switzerland from 20MW to 28MW, making it ...

Why Swiss Energy Storage Lithium Battery Manufacturers Are ...

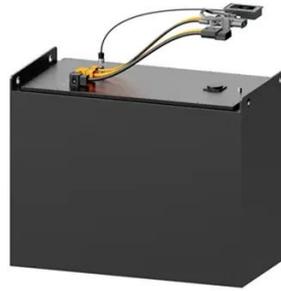

The Swiss energy storage lithium battery industry isn't just selling products--it's crafting a blueprint for sustainable tech. From chocolate factories to robot-staffed labs, they're ...

[Switzerland: EWS and MW Storage expand battery ...](#)

Utility EWS AG and developer MW Storage have completed the expansion of a battery energy storage system (BESS) project in ...
