Bhutan's leading distributor of ceramic tiles and sanitaryware, located in Thimphu. Chharee Tiles brings architectural sophistication to every wall. Our premium wall tiles combine durability, design, and craftsmanship ideal for both residential and commercial spaces. Sending our best wishes to Paro.

When we started Chharee in 2016, Bhutan's construction sector looked very different. There weren't any specialized vendors that provided exclusive retail service in ceramic tiles, sanitaryware, granite, or really, any other construction-related product. This meant that Bhutan's fast-growing.

We are young and comprehensive Business currently based in Thimphu, Bhutan. We are biggest wholesaler in tile and Sanitaryware in Bhutan with good taste in design, innovation and fashion in lifestyle You can click the button above to visit my store. To ensure the best experience on our website, we.

Solar tile, which combines solar panels and roof tiles, integrates photovoltaic and architecture. Crystal silicon photovoltaic technology and building tile structure are innovated to eliminate the complex project of secondary installation and replace traditional cement tiles and clay tiles with.
