

Vatican makes outdoor power supplies

Overview

Pope Francis has ordered the creation of an agrivoltaic plant near Rome intended to ensure the entire electrical supply of Vatican City, which has demonstrated its desire to achieve carbon neutrality.

Pope Francis has ordered the creation of an agrivoltaic plant near Rome intended to ensure the entire electrical supply of Vatican City, which has demonstrated its desire to achieve carbon neutrality.

VATICAN CITY — Pope Francis appointed two special commissioners to start work on building an agrivoltaic system on a Vatican property outside of Rome that could supply the whole of Vatican City's energy needs. "There is a need to make a transition to a model of sustainable development that reduces.

On July 31, at the historic Palazzo Borromeo, the Holy See and the Italian Republic signed a landmark agreement to build an agrivoltaic system in Santa Maria di Galeria. Photo: Vatican Media According to the Vatican's press office, the installation will apply the most advanced solutions currently.

VATICAN CITY - Pope Francis has ordered the Vatican to install a solar plant that will provide electricity to the entire city state, as the pontiff does his bit to tackle climate change. Pope Francis, a longtime advocate of environmental protection, issued an official letter published on June 26.

Pope Francis has ordered the creation of an agrivoltaic plant near Rome intended to ensure the entire electrical supply of Vatican City, which has demonstrated its desire to achieve carbon neutrality. In a letter in the form of a "motu proprio" (letter at the initiative of the Pope), published.

In line with the principles of the encyclical Laudato Si' and a United Nations agreement on climate change, Pope Francis is making the Vatican "greener." 2025 CHRISTMAS CAMPAIGN Help Aleteia continue its mission by making a tax-deductible donation. In this way, Aleteia's future will be yours as.

Pope Francis has announced measures to transition Vatican City to using solar energy as its main source of electricity, as outlined in his latest motu proprio titled Fratello Sole, or "Brother Sun." The Holy Father has tasked the relevant Vatican

governing bodies to collaborate with Italian.
