

Yeti portable solar container outdoor power

Overview

This portable power station is versatile enough to help out during a power outage at home and tough enough to handle mud, dirt, dust, water, and more. It has an IPX4 outdoor rating and is water resistant and dustproof. Take it on camping trips or to the beach, tailgate parties .

This portable power station is versatile enough to help out during a power outage at home and tough enough to handle mud, dirt, dust, water, and more. It has an IPX4 outdoor rating and is water resistant and dustproof. Take it on camping trips or to the beach, tailgate parties .

Pair the Yeti 3000X with the Boulder 200 Briefcase for unlimited solar power. Equip your cabin, yurt, or workshop with a kit built to run everything from fridges and air conditioners to electric bikes and wood-fired grills. Recharge the Yeti 500X with the Boulder 50 Solar Panel while off-grid or.

Impressive Power Output: The Yeti 500 can run air pumps, Alta portable fridges, and pellet grills and has 500 W AC power out with 1000 W surge abilities. Superior Fast Charging: Forgot to charge your Yeti before your camping trip?

Just switch over to High-speed charging mode—it'll be ready to go by.

Impressive Power Output: The Yeti 500 can run air pumps, Alta portable fridges, and pellet grills and has 500 W AC power out with 1000 W surge abilities. Class-Leading Lifespan: Upgraded LiFePO4 battery technology means the battery has 4,000+ cycles for over 10 years of daily use Superior Fast.

The 6th generation Yeti 500 is built with upgraded LiFePO4 battery technology and can recharge your devices on a camping trip, run a fridge, or power a grill during backyard parties. Keep it running longer with solar. Our Nomad panels are specifically designed to be light and easy to carry. The.

It offers a solid 350 W AC power and can surge to 600 W, enough for most essential devices. The upgraded LiFePO4 battery makes it last well over 10 years—far more durable than typical lithium options. Plus, the super-fast charging from 0% to 100% in about 50 minutes means less waiting when you're.

The Yeti 1000X Portable Power Station Solar Generator kit is the foundation to your Yeti-Ready Ecosystem. Perfect for charging tablets, laptops and phones, while giving hours of runtime for refrigerators, microwaves, pellet grills and more! It provides the power needed for larger appliances while.
